

ENSURE ROUND-THE-CLOCK ACCESS FOR EVERY STAKEHOLDER

TOLL SERVICES

- CALL-FREE • CALL-LOCAL

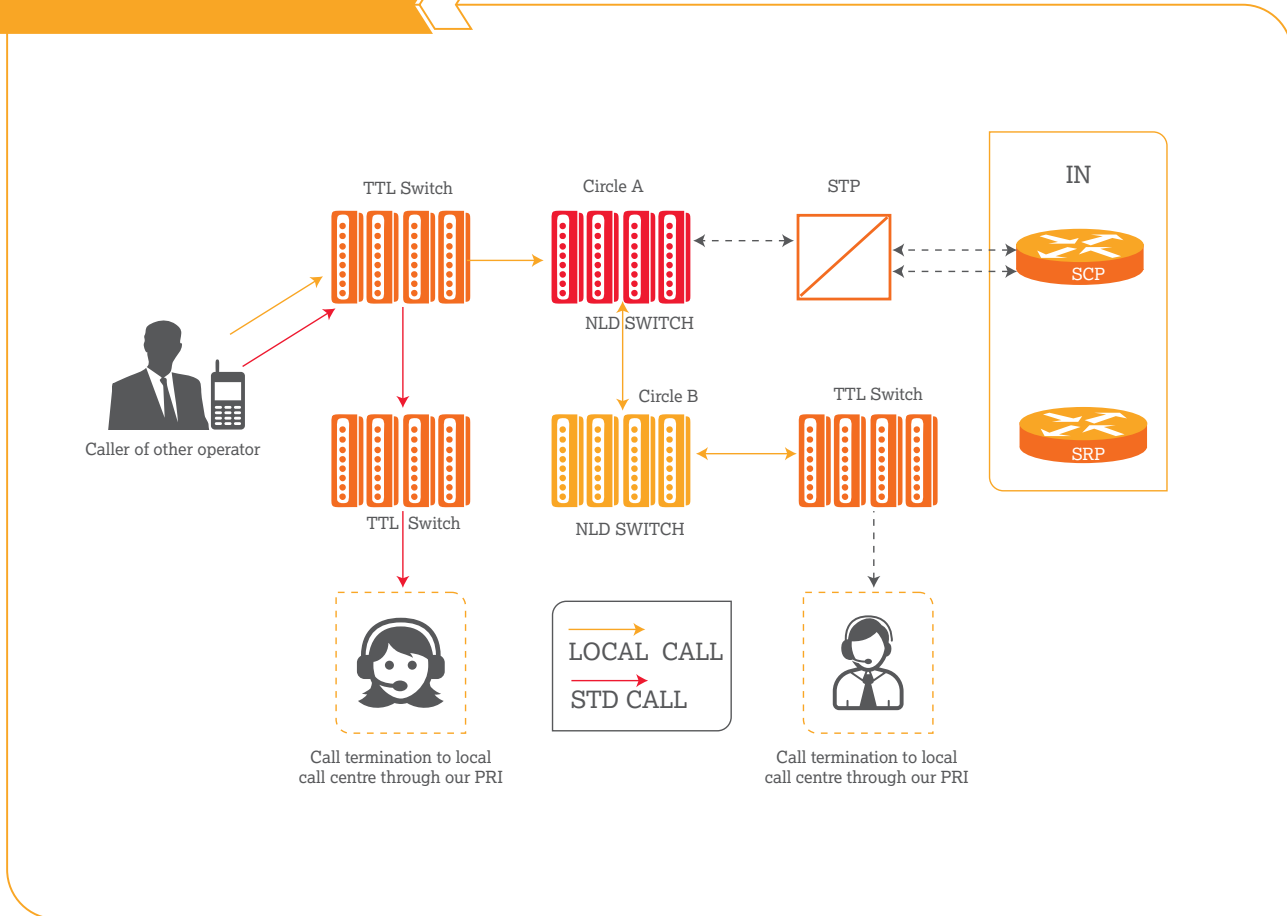

Customers, stakeholders and even employees often need to directly reach businesses or service providers. A Toll Service is a number or a set of numbers, which callers may reach by dialling-in, either for free or at a nominal cost.

SINGLE NUMBER ACCESS ACROSS INDIA

Our Toll Services cater to enterprise customers across the country. Dispensed on our state-of-the-art, intelligent network platform, we support Toll Service across all service providers and ensure ease of access for your customers while reaching out to your business.

Service Architecture

BUSINESS ADVANTAGES

- Provide instant access to customers from across locations
- Enjoy flexible subscription options from any post-paid wireless or wireline service
- Define, choose and change your routing preferences at any time
- Manage all important aspects of call routing real-time through our user-friendly interactive web interface
- Enhance your service delivery through detailed call analysis reports
- Increased customer satisfaction by ensuring that your business is always reachable

Our Toll Services are available in two variants, which may be deployed depending on your specific requirements.

CALL FREE AND CALL LOCAL

VARIANT COMPARISON

Features	Call Free	Call Local
Cost to customer	Free	Local call cost
Cost to company	Full cost	Per minute as per agreement
Number series	1800	1860
