

REAL-TIME VISIBILITY FOR YOUR MOBILE WORKFORCE

WORKFORCE TRACKING

Workforce Tracking is a location-based service that helps you track the whereabouts of your field force, anytime, anywhere.

Our Workforce Tracking helps you get real-time location information on your field staff. You can not only track but also manage their routes and distribute workload.

BUSINESS ADVANTAGES

- Real-time tracking of workforce helps increase accountability and productivity
 - Secure and user-friendly web/mobile interface helps access information easily
 - Movement history of workforce helps assess what works better
 - Route tracking and route replay features help manage workforce better
-

- Alerts and analytics through a secured portal
 - GPS + cell tower based tracking when on our network
 - Tracking frequency of 5-15 minutes
 - Route tracking, route replay, creating zones using way points and work assignments on-the-fly
-
